Type: V = variety; B = blend; H = hybrid. -W designates white wheat.

Maturity: days earlier (-) or later (+) than Caldwell

Head type: S = smooth (not bearded); T = tip-awned; B = awned (bearded)

Winterhardiness and standability are rated fair (F), good (G), very good (VG) or excellent (E)

Plant height: S = short; M = medium; T = tall

Hessian fly and disease reactions: S = susceptible; R = resistant; I = intermediate; M = moderately
